ABOUT THE CHAMBER

MISSION

“The Kona-Kohala Chamber of Commerce exists to provide leadership and advocacy for a successful business environment in West Hawai‘i.”

VISION

“The result of our work is a community of choice as reflected in our quality of life, business and individual opportunity, and manifest respect for our culture and natural resources.”

PHILOSOPHY

The Chamber serves and represents a large geographical area, from South Kona through Waimea. The strength of our organization comes from our membership and the services we offer. Our directors are positive, energetic, people-oriented and are devoted to bettering our island community through the Chamber and other public-spirited activities.

BUSINESS REFERRALS

The Chamber receives hundreds of calls requesting goods, services and assistance. The staff handles these requests and inquiries and makes referrals to member businesses where appropriate. Members are listed on the Chamber website at www.kona-kohala.com which is accessed by people across the nation. Links to member websites are available from our site.

THE SOURCE - A GUIDE TO BUSINESS & LIFESTYLE IN WEST HAWAII

This glossy, attractive Business Directory is an annual publication that provides economic data, resource and other information about the Kona-Kohala area. It promotes Chamber member businesses and gives an overview of West Hawaii. There is also a Member Directory and Newcomers Section for new residents.

CONNECTIONS

The Chamber produces a monthly electronic newsletter “Kona-Kohala Chamber of Commerce Connections” to keep all members informed and updated about current events and issues. There is also a monthly West Hawaii Today Connections, an insert in the local newspaper. Advertising opportunities for Chamber members are available in both.

MEETINGS AND LUNCHEONS

The Chamber offers various Meetings and Focus Luncheons. The Focus Luncheons are planned by the Directors and feature speakers on topics of interest to the membership and the general public. There are also monthly AfterHours functions at member businesses at which chamber members network with each other.

SEMINARS AND WORKSHOPS

The Chamber offers a variety of seminars and workshops on various important business-related topics as the need arises. The Chamber also co-sponsors economic reports, and popular full-day workshop on labor and employment law in Hawai‘i.

COMMITTEE OPPORTUNITIES

To provide more opportunities for participation and to broaden the involvement of our Chamber members, the Board of Directors has set up teams to help direct Chamber programs. Please volunteer for the ones that interest you.

We have listed our teams, approved by the Board of Directors, and are providing this form to make it easy for you to volunteer. Every effort will be made to accommodate you on your first choice but we may have to move some members, as the committee may be too full. Please let us know where you would like to serve to make the chamber a more effective business and community advocate and resource. Mahalo!
